

Let's go tripping with...

...but who are these mongoloids of the tube?

Hailing from the swell-less shores of Vancouver, B.C. THE TUBULOIDS first dropped into the nations airwaves in June 2013, with their debut demo SURF FUKUSHIMA! Carving a spot to #5 in EARSHOT'S NATIONAL loud chart.

In September 2014 the band releases a 7" E.P. titled THIS WAVE SUCKS and gets picked TOP 5 in RAZORCAKE FANZINE by Canadian T.V. & Radio personality NARDWUAR.

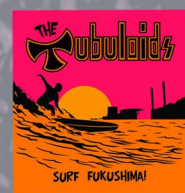

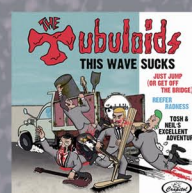

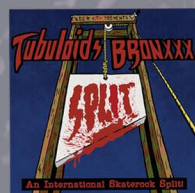

In 2015 BEER CITY SKATEBOARDS AND RECORDS teams THE TUBULOIDS up with Osaka Japan's BRONXXX and releases AN INTERNATIONAL SKATEROCK SPLIT L.P.

Now in 2016 THE TUBULOIDS are stoked to present their latest and greatest BEER CITY record GETTING WEIRD available as a 12" E.P. OCTOBER 14th, 2016.
