BEER CITY RECORDS will be reissuing the entire ADRENALIN O.D. back catalog. This will all start Record Store Day 2019 when ADRENALIN O.D. - Let's Barbeque Millennium Edition 12" comes out! Besides being fully restored and remastered from the original tapes this special release will feature - A never before heard bonus track from the BBQ recording session - 5 additional bonus tracks - a gatefold jacket - be limited to 1000 copies - contain many never before seen photos - have liner notes by the band and even will come with a collectible plastic download card! All presented to you at 45 RPM's for optimal audio enjoyment!

This is only the beginning, throughout the rest of the year we will be reissuing the entire back catalog in the high quality fashion you have come to know and expect from BEER CITY.

Keep checking in at beercity.com to find out all the latest details!
